4. Curriculum Coverage & Core Aims

Statutory National Curriculum Requirements

All pupils at JPS are taught to:

- Develop competence to excel in a broad range of physical activities.
- Remain physically active for sustained periods of time.
- Engage regularly in competitive sports and activities.

- Lead healthy, active lives.

Key Stage 2 Progression

Building on Key Stage 1 foundations, KS2 pupils are taught to apply a broader range of skills, linking them to create fluid actions and sequences of movement. They are encouraged to communicate, collaborate, and compete effectively while evaluating their own success to achieve their personal best.

Specified Disciplines Taught This Year

- **In isolation & combination:** Running, jumping, throwing, and catching.
- **Competitive Games (Modified):** Badminton, basketball, cricket, football, hockey, netball, rounders, and tennis (focusing on attacking and defending principles).
- **Core Physical Attributes:** Flexibility, strength, technique, control, and balance through targeted gymnastics and athletics.
- **Dance:** Performance using a diverse range of movement patterns.
- **Outdoor & Adventurous:** Team and individual outdoor activity challenges.

Swimming and Water Safety

Pupils are explicitly taught to:

- Swim competently, confidently, and proficiently over a distance of **at least 25 metres**.
- Use a range of strokes effectively (including front crawl, backstroke, and breaststroke).
- Perform safe self-rescue techniques in varied water-based situations.

5. Year in Review (2025-26)

Key Successes

- **Skills-Based Curriculum:** S4L introduced a skills-based curriculum, transitioning its focus heavily toward active gameplay and match context. This strategic pivot significantly improved the tactical awareness and strategic thinking of pupils in Years 3 and 4.
- **Historic Tournament Results:** The school celebrated historic wins this year, including capturing the **Dodgeball Competition title for the first time**.
- **Elite Football Performance:** The Year 3&4 Girls Football team achieved an outstanding tracking record, placing **1st in three separate competitions** and going on

to represent Lambeth at the London Youth Games—finishing **3rd overall in London** after a narrow loss to the eventual tournament winners (Bromley).

- **Innovative Sports:** American Flag Football was introduced to the curriculum to great engagement, leading to the school representing Lambeth on a regional level at the London Youth Games.
- **Expanded Squad System:** The creation of dedicated Netball and Gifted & Talented squads successfully pushed high-ability pupils, directly securing two 2nd-place finishes in netball and driving strong entries into dodgeball, and football tournaments.

Areas for Development (Even better if...)

- **Budgetary Constraints on Early Years/KS1:** Due to shifting financial pressures, core specialist provision from specialist PE providers were reduced to Key Stage 2. KS1 teachers assumed full responsibility for planning and delivering their own PE lessons.
-

6. School Target Evaluation: 2025-26

Objective 1: Create competitive sporting opportunities inside and outside of school.

- **Status:** Achieved
- **Comments:**

Objective 2: Make physical activity habitual across the school (e.g., via the Daily Mile).

- **Status:** Ongoing
- **Comments:** High-energy game matchplay prioritised over static drills. This significantly increased pupil enjoyment and active engagement times during lessons. Ability-matched internal groupings allowed all children to access a fair, healthy tier of competition.

Objective 3: Offer children an opportunity to participate in extra sports through after school clubs.

- **Status:** Achieved
- **Comments:** Extra-curricular provision was maintained via multi-sport, netball, dodgeball, football, and athletics clubs across both key stages, maximising broad access alongside the newly established squad systems. We also offer table tennis, dance and yoga after school clubs.

7. Additional Provision & Operational Logistics

Sports Days Review

- **Reception & Year 1:** Hosted successfully at their respective home sites, co-led by school staff and Y6 pupils.
 - **Years 2-6:** Held at St Joseph's College playing fields with external sports leadership assistance from Streatham & Clapham staff and student volunteers.
-

8. Forward-Looking Targets for the 2026-27 Academic Year

Target 1: School Equipment Management (Even better if...)

- **Action Plan:** S4L to complete a comprehensive inventory audit of all stored equipment. Rolling budget used to replace primary equipment, alongside resolving ongoing challenges with PE cupboard storage and maintenance.

Target 2: Quality Assurance & Staff Continuity

- **Action Plan:** Establish clear training frameworks to ensure the high quality and structural delivery of the PE curriculum is seamlessly maintained.
