

Use of Mobile Phones in School

At Julian's Primary School we do not allow the use of mobile phones during the school day, on school trips, or at our after-school clubs. This is because mobile phones can become a distraction and prevent children from focussing when in class and when playing and interacting with other children during lunch and break times.

We understand that some children may need to bring a mobile phone into school, for example children who walk home alone. In this case, they must turn off their phone upon arrival to school and hand it in. It will be returned to them when they leave school.

If a parent/carer needs to pass on an urgent message onto their child (a change in collection arrangements), then please call the school office and we will be able to assist. Parents/carers must be aware that children will not be given access to their phones during the day, and will not be able to see or respond to any calls or messages.

Please confirm your understanding by signing and returning the slip below.

I confirm I have read and understand the school's statement on mobile phones in school:

Child's name:.....

Signed Parent/Carer:.....

Parent/Carer Name:..... Date:.....
