"After a good while of using your new booking system, just a little nod and thank you to those that set it up. It's a great system. Very user friendly. Hopefully not too expensive for you. But easy to use nonetheless and I know how much of a nightmare it can be to switch systems. Great stuff."

About Us

School Friend Clubs provide affordable, high-quality breakfast, after-school and holiday care for children aged 4–11. We work closely with schools across the UK to offer reliable wraparound childcare, supporting over a thousand children every day in a familiar environment within the school grounds.

Our clubs give children a positive start and end to their school day. Morning sessions offer a calm space with a healthy breakfast and relaxed activities, whilst after-school sessions include arts and crafts, sports, games, cooking, modelling, and themed creative projects planned in consultation with children and staff. Every activity is designed to support confidence, independence, and enjoyment, whatever the child's age or interests.

All staff are fully vetted with an enhanced DBS, trained, and supported with ongoing professional development to ensure every club is safe, nurturing and fun. We follow the Early Years Foundation Stage (EYFS) framework, helping children learn and develop through play while building the foundations they need for future success in school and in life.

At the heart of School Friend Clubs is our commitment to provide childcare that is flexible, friendly, and fun.
