29th August 2025

To our Julian's Community,

We are writing to update you on the current situation with our Streatham site. We have been working closely with the London Fire Brigade, Lambeth Council, the insurance company, forensic investigators and the loss adjuster. We are very grateful for their help and support. We are sorry to inform you that due to the extent of the damage, it is likely that the Streatham site will remain closed for the autumn term in the first instance. As a result, we have been working over the bank holiday weekend and the last three working days on securing an alternative site for our Streatham children so that we can stay together as a school community. As we are sure you can imagine, this has been an extraordinary challenge. We will have more details on this shortly and aim to update you on Monday 1st September. As it stands, Streatham children will be unable to return to school in the week beginning 8th September while we prepare an alternative site once it has been secured. We wanted to inform you of this as soon as we were able to.

We would like to confirm that PGL will continue as planned for our Year 6 children. The children will now all leave from West Norwood on Monday 8th September and we will have staggered departure times for STR and WN children. Further communication for Year 6 children will be sent separately. Any Year 6 child who is not attending PGL will need to come to West Norwood for the week 8th-12th September please.

Our home visits for our new Reception children will proceed as planned and our staff look forward to meeting with new families.

We understand that families may be anxious about the situation at Streatham and we thank you all for your patience, understanding and support during this time of uncertainty for the school. We will continue to keep you updated.

Warm regards,

Alison Moller
Executive Headteacher
