3rd September 2025

Dear Parents/Carers,

We would like to provide an update on the situation with our Streatham site. We are currently in the final stages of confirming plans and we are confident we will have some positive news imminently. This is really good news for our school community given the challenge we face.

We are working with colleagues in the relevant local authority departments to finalise details that secure a suitable site for us as a three form entry school. Once these are finalised we will be able to work on the logistics of preparing a site for opening as soon as possible. All Streatham staff will be working hard both now and over the next couple of weeks once a site is secured to get it ready for our pupils.

We hope to have an update for you by the end of this week and thank you for your patience and support. In the meantime, could all children in Years 1-6 please check Google classroom for a welcome video and some activities to work on at home.

Warm regards,

Alison Moller
Executive Headteacher
