22 September 2025

Dear Parents and Carers,

The first day at our new site has gone really well and it has been such a joy to have the children back! Teachers have enjoyed getting to know their new classes and the children all seemed happy to be back. Thank you to everyone for your support. There are a few notices below - please take some time to read these through.

Medicines

If your child has a medicine they need in school, please arrange for a new prescription to be sent in as soon as possible. We are unable to access the medicines left at the Streatham site. If your child travels on the school bus and they need emergency medicines (ie asthma pumps, epi pens etc) please ask if an extra prescription can be issued so your child can have a travel pack with them on the bus.

Gates - this is a change to previous information

All children (and their parents/carers) should use the gate on Fernthorpe Road in the morning and after school. The exception to this is children using the bus service and Reception children - these children should continue to use the Cunliffe Street entrance.

Bus Information

For those families who are using the transport offer - we know today did not go entirely according to plan! It was day one and it will improve once timings are refined. Thank you for being so patient and understanding, particularly those families who had children returning on the later buses.

When you are dropping your child off in the morning, please head straight to the staff team travelling with your child. They will register your child and then you should leave Etherstone Road. This will hopefully enable a swifter start to the bus journeys. Bus groups will register in different areas of Etherstone Road so look out for your team.

Please note that we are unable to offer a bespoke bus timetable service for your child. If you have booked for your child to travel to school by bus, the expectation is that your child will return by bus to Streatham each day. The only exception to this is any child that is booked into School Friend Club wraparound care at Julian's. Thank you for your understanding.

This is the only way that we can manage the process safely at present as we simply do not have capacity for individual timetables.

Warm regards,

Alison Moller
Executive Headteacher
