19 March 2026

Dear Parents/Carers,

As promised, here is your fortnightly update on the works at our Leigham Court Road site.

- The drying process continues and is nearly complete.
- Stripping back and assessment for corrosion can begin
- Met with loss adjusters and consultants from Ingleton Wood who are developing the return plan along with representatives from Lambeth insurance who are leading on the claim
- Insurance staff on site this week finalising the claim
- Remediation plan to follow

The management process is made very complicated by the number of agencies involved - there were five organisations on the most recent update call - and this is exacerbated by the fact that the school is able to act only indirectly as a client. We are consulted but have no power to make any decisions.

We are frustrated at the pace of progress, and have made this plain to all involved. We have a further meeting with Lambeth on Monday to discuss the very real impact this is having on our school and our community.

Thank you for bearing with us.

Warm regards,

Alison Moller
Executive Headteacher

Chris Davies
Chair of Governing Board
