23rd April 2026

Dear Parents/Carers,

We hope you had a relaxing Easter break and enjoyed the sunshine and longer days. We're writing to update you on the progress of the works at our Leigham Court Road site.

Here is the latest progress:

- The final remediation works are now complete.
- The drying process has fully finished.
- Belfor (remediation specialists) have completed their part of the work and handed the site back to Ingleton Wood (project managers) so the reinstatement stage can begin.
- Ingleton Wood have carried out an initial survey.
- Mechanical & Electrical (M&E) Condition Surveys will start on 27/04/26.
- We expect the M&E, fire door and compartmentation surveys to take around two weeks to complete.
- Once these surveys are finished, the design and specification work for reinstatement will begin.

We have also been advised of the following:

- Sedgwick (loss adjusters) and Ingleton Wood will share high-level programme dates for the reinstatement work in the next couple of weeks.

Although the timetable is not set by the school, we are continuing to push both organisations to speed up the parts of the process they can control (for example, directly appointing a contractor rather than running a long competitive tender).

We hope this will help shorten the overall timeline, and we will share the programme with you as soon as we receive it.

At this stage, there is no change to the current arrangements for pupils. We know how important clear information is for families, and we will continue to update you as soon as we have confirmed details. We understand how frustrating the ongoing uncertainty can be, and we want to reassure you that we are pressing for clarity at every stage.

Thank you, as always, for your patience and understanding.

Warm regards,

Alison Moller — Executive Headteacher

Chris Davies — Chair of Governing Board
