Dear Parents/Carers,

As promised, please see the below update on the works at our Leigham Court Road site:

- The drying process is fully complete, including areas on the top floor where there was additional mould found
- The mechanical and electrical (M&E) survey is complete
- Fire door and compartmentation surveys are complete
- Work has commenced on design and specification based on findings of the condition survey
- The project managers, Ingleton Wood, plan to appoint a contractor directly to avoid a long procurement process
- Please see update photos below

Thank you for bearing with us through this challenging time. We will send out a further update before half term.

Warm regards,
