20th May 2026

Dear Parents and Carers,

Update on September 2026 arrangements and next steps for the Streatham rebuild

We are writing to update you on plans for the start of the new school year in September, and to share the next steps in the ongoing rebuild of the Streatham site following the fire in August 2025.

September 2026 – confirmed arrangements

We can confirm that we will continue to operate from our current temporary arrangements at 21 Cunliffe Street, SW16 6DS for the start of the new school year. Staff are already planning for a smooth transition into the autumn term, with a strong focus on stability, high-quality teaching and pastoral care for every child.

We know how important clarity is for families, and we want to reassure you that the arrangements in place will continue to provide a safe, nurturing and well-organised learning environment.

Exploring a partial reopening for younger year groups

Alongside this, we are working closely with Lambeth Council to explore whether a **partial reopening** of the Streatham site could be possible for **Reception, Year 1 and Year 2** from September. This would allow our youngest children to return to Early Years and Key Stage 1 classrooms sooner, while the remainder of the building continues to be completed.

A full feasibility assessment is currently underway. **No final decision has been made**, and we expect to have a clearer position **after the half-term break**, once the next stage of technical and safety reviews is complete.

We will update you as soon as we have confirmed information.

Rebuild timeline – next update after half term

We continue to work with Lambeth Council, insurers and contractors on the overall rebuild programme. The scale and complexity of the work remains significant, and the timeline is still being reviewed.

At this stage, we are **not yet able to confirm a full reopening date**. The council expects to have more clarity after the next programme review, which takes place after half term. As soon as we have verified information, we will share an update with you.

Supporting families through this next phase

We know that ongoing uncertainty is difficult, and we are committed to keeping you informed every step of the way. Over the coming weeks we will provide:

- updated information about temporary arrangements for September
- opportunities to ask questions directly to the leadership team
- a refreshed Q&A for parents/carers
- regular updates on the rebuild, including photos and milestones, on our website

We know this period has been disruptive for children in different ways. Staff have worked hard to maintain continuity of learning and pastoral care, and we continue to monitor every child's progress and wellbeing closely. If you have specific concerns about your child, please speak to their class teacher.

We also want to acknowledge the impact this disruption has had on our families. If you have concerns about your child's place, transition or wellbeing, please do get in touch – we are here to support you.

Thank you

We remain incredibly grateful for your patience, understanding and continued support. The resilience of our community has been remarkable.

We will continue to update you as soon as new information becomes available.

Warm regards,

Alison Moller
