17th June 2026

Dear Parents/Carers,

Further to yesterday's update and given the significant impact that the Streatham relocation has had on pupils, families and staff, we would like to invite our community to meet with us and give you the opportunity to ask questions ahead of the summer break.

We have scheduled our Parent/Carer forum to take place on Thursday 2nd July at 6:30pm at our West Norwood site (16 Wolfington Road, SE27 0JF).

For this meeting, the proposed agenda would be:

1. Welcome and purpose of the forum
2. Update on the Leigham Court Road site and recovery programme including impact on the school roll, admissions and funding overview, transport and safety updates
3. Parent/carer questions submitted in advance
4. Agreed actions and next steps

To register your interest to attend, please fill in this form. All questions and comments must be received by Tuesday 30th June. Many thanks.

Following this meeting, we anticipate that updates relating to the Streatham site and the return to Leigham Court Road will continue to form a standing agenda item. However, it is important that the forum also continues to consider wider whole-school matters so that it remains relevant to all families across both sites.

Whilst we may not always be able to provide immediate answers to every question, particularly where matters depend on external agencies, insurers or contractors, we are committed to being open about what we know, what we do not yet know, and the steps being taken to obtain further information.

In the meantime, we will continue to provide regular updates through our existing communication channels and will ensure that questions received from families help shape future communications and FAQs.

Thank you again for your support, your constructive suggestions and your continued commitment to the Julian's community. We very much value the partnership between home and school and look forward to working together as we navigate the next stage of this journey.

Warm regards,

Alison Moller

Executive Headteacher
