Dear Parents/Carers

We are delighted to inform you that governors met last night to agree to appoint Longley Group to carry out the reinstatement works at the Streatham Site. This follows a competitive tender process with three shortlisted contractors and a rigorous assessment of their quality and commercial submissions. Thanks to the hard work from Ingleton Wood and our associate governor, Phil Brown, we had a clear recommendation to proceed with Longley Group, and that recommendation was accepted by the governors.

Although we experienced a week's delay in making the final decision while tenderers provided clarifications to technical and commercial questions, this was crucial for ensuring the best outcome. Longley Group is now mobilising and we anticipate contractor presence on site tomorrow and early next week in line with our original timetable.

Our tender set out the requirement that teaching at the Leigham Court Road site should restart after the Easter holidays 2027, and Longley Group has committed to this. The Longley Group and Ingleton Wood teams are working together with the school to refine the programme with that end point in mind and we will provide more information when that is worked through.

Thank you for your continued patience and support. We will continue to provide regular updates.

Warm regards,

Alison Moller
