Dear all,

We are delighted to provide a progress report for the reinstatement of our Leigham Court Road site. Since our last letter, we can report that work is underway and Longley, the contractors, have made progress in line with the plan:

- Site set-up complete
- Mechanical and Engineering (M&E) validations complete
- Installation of temporary lighting and power supplies has commenced
- Initial review of fire doors

Next steps include:

- Stripping of flat roof areas
- Concrete scanning and investigation
- Completion of the Fire Engineering review
- Procurement of long lead-in items such as windows / canopy / cladding / roof materials

The first site inspection has taken place today, with further meetings happening between Langley, Ingleton Wood (project managers), Sedgwick (loss adjusters) and the school, as well as regular meetings with Lambeth and others.

Thank you for your continued patience and support. We will continue to keep you updated.

Warm regards,

Alison Moller
