Opening Doors to Make a Difference

Dear Parents/Carers,

Welcome back!

We hope that you had a brilliant summer and that your child has settled in well to their new year at school. It has certainly been a busy start to the year at Julian's.

Firstly, a huge welcome to all our new families! Our new Reception and Nursery children have been with us this week and it has been fabulous to meet them all. A big thank you to our PTFA who organised a Teddy Bear picnic to introduce new Reception families plus provided care packs for our new Reception parents and carers - including tissues - you really made everyone feel welcome.

Our Year 6 children have been showcasing their adventurous spirits at our PGL residential. Everyone had a great time! We are really proud of our children for their resilience and trying things outside of their comfort zones. Thank you to our staff who made the trip such a success.

All children have been busy working on the theme "Who am I?" ahead of our Meet the Teacher/Cultural Event next Thursday, where they will be exhibiting their work and celebrating the diversity of the school. Every member of the school community is invited to attend and we look forward to welcoming you into the school. For Streatham families, if your child normally takes the bus and you would like to collect them instead due to attending our Meet the Teacher/Cultural Event, please fill out this [form](#).

Looking forward to a wonderful term ahead!

Best wishes,
Alison and the team

School Calendar

Thursday 24th September - Meet the Teacher / Cultural Event on both sites 3:30-4:30pm (except 6LM)

Friday 2nd October - Open Reading on both sites, PTFA AGM at WN at 10am

Friday 23rd October - End of Term 1

A massively warm welcome back from the Transport Service!

Your children have settled into term fantastically: well done them and a special congratulations to our very excellent Reception children who are really getting into the swing of the buses.

So far this term, we've facilitated nearly 5,000 journeys and together, our fantastic bus staff have covered the equivalent of a journey to Brussels escorting your children to and from school.

We know there have been a few occasions where coaches have been delayed, and we wanted to let you know that Redwing have promised us that they will be delivering a full complement of buses everyday with friendly, timely and route trained drivers going forward.

Transport notes:

- **A favour:** at pick up, please could parents/carers initially stand on the side of the road furthest away from Streatham Common (so nearest JPS Streatham) and only cross over to the Common side of the road when their child's bus arrives? Fewer grown ups on the pick up side mean the kids will be able to see their grown ups better.
- **A note:** We always ask you to arrive at the earliest time that your child's coach will arrive because we know you would much rather wait for them than have them wait for you.
- **Can we help?:** please email Ros on transport@juliansprimary.org.uk.

ANNUAL GENERAL MEETING

FRIDAY, 2 OCT 2026

10:00AM | WN site
following Open Reading Morning

Join us for updates, coffee & pastries, and find out how to get involved!

All welcome, including volunteers for committee roles - particularly Chair/Co-Chairs

DONATE • VOLUNTEER • SUPPORT

Walk to School Week - 22nd-26th June

We had a fantastic **Walk to School Week** and were so impressed by the enthusiasm shown by our children and families!

Throughout the week, children learnt about active travel—what it is, why it is important, and the many benefits it brings. We explored how walking, cycling, scooting, or wheeling to school can help keep us healthy, reduce traffic and pollution, and make our journeys to school more enjoyable.

As part of the week, children also took part in our poster and comic strip competitions, creating some incredibly imaginative and informative entries. We were amazed by the creativity and effort that everyone put into their work. A huge well done to everyone who took part!

Competition Winners:

Streatham:

2B: Hamish

2H: Toshi

3A: Rose

6H: Luella

West Norwood:

REM: Alaia

1M: Roddy

2R: Alexander

Year 6: X

Congratulations to all of our winners!

To finish the week, we celebrated with **Odd Shoes & Ride in Style Day** on **Friday 26th June**. Children were invited to wear odd or colourful shoes and, if they have a bike or scooter, to bring it to school decorated in their own creative style.

We also celebrated the classes with the highest participation in active travel:

Streatham:

1st Place: 3A

2nd Place: 6H

3rd Place: 4S

West Norwood:

1st Place: 5S

2nd Place: 1M

3rd Place: 4ED

A huge congratulations to these classes for their fantastic effort and commitment. Thank you to all of our pupils and families for supporting Walk to School Week and helping to make it a resounding success - we are now the proud recipients of the Travel for Life GOLD award. Congratulations everyone!

Year 5 Launch Day

5P had an exciting **Science Launch Day**. We carried out the **Coca-Cola and Mentos experiment**, observing how adding Mentos causes the dissolved carbon dioxide in the drink to escape very quickly, creating a dramatic eruption of bubbles and foam. We discussed what was happening and made observations about the reaction.

We also investigated **different materials**, classifying and grouping them according to their **properties**, such as whether they were hard or soft, transparent or opaque, flexible or rigid, and magnetic or non-magnetic.

Year 4 Launch Day

Year 4 kicked off our new topic, **"Can You Live a Full Life Without One of Your Senses?"** with a day full of exciting sensory challenges!

We tested our senses through drawing, mystery objects and foods, discovered inspiring individuals, explored new vocabulary and even learned some **British Sign Language (BSL)**. We're already asking some BIG questions about how we experience and communicate with the world around us!

Well done Alfie!

Alfie had a brilliant result over the summer, winning the Under 10s Club Championship at his tennis club, Wigmore Lawn Tennis Club.

Our Right of the Week is:

Article 27- Food, clothing, a safe home

Every child has the right to a safe and secure home with the support they need to grow and thrive.

Julian's is a Rights Respecting school. We learn about a new right each week during Picture News class assemblies.

In Picture News this week, we will discuss:

EYFS- What are some ways we can help others?

Primary- Do we all have a part to play in helping those in need?

To learn more about Rights Respecting Schools please see the website:
<https://www.unicef.org.uk/rights-respecting-schools/>

Julians Primary School

About Your Catering Service

We are delighted to be working in partnership with your school. Founded in 1994, we are an award-winning company with a vision to encourage children to explore new tastes and make healthier food choices through their formative years, which will positively influence them for life.

A Delicious Balanced Menu

Our approach is focused on seasonal, fresh, sustainably sourced food, including ingredients, such as British free-range eggs and British sourced fresh meat and poultry, wherever possible.

Our menus are created with local tastes and preferences in mind and offer a range of popular, full of flavour dishes to encourage balanced meal choices and to help children grow, learn and stay active.

Core menus are reviewed by our consultant nutritionist, who ensures that they are structured for young growing bodies, who need a variety of food, including protein (in both meat-based and vegetarian dishes), fruit and vegetables, carbohydrates, and dairy products, while limiting foods high in fat, salt and sugars. We follow the school food standards.

We will introduce further interest and excitement to menus with planned additional food experiences, pop-ups, themed events with links to the school's curriculum, cultural and celebration dates, aimed at creating a fun, engaging and enjoyable dining experience.

Allergen Information

We recognise that some children may have an allergen or intolerance to one of the 14 common food allergens. We have robust processes in place to assist the school in managing. If your child has a food allergy or intolerance, please complete the allergen management form and return it to your school office. To view our process and obtain the allergen management form please visit: <https://www.harrisoncatering.co.uk/food-allergies-food-intolerances>.

Talented Catering Team

The Harrison catering team are dedicated to providing a great catering service and receive training to complete their roles successfully, including how to prepare and serve healthier food through the company's bespoke Eat Well Live Well® training programme.

Universal Infant Free School Meals (UFSM) Key Stage 1

All children in reception, year 1 or year 2 are automatically entitled to free school meals under the Universal Infant Free School Meals scheme, irrespective of income.

Free School Meals for Key Stage 2

The Mayor of London's initiative continues to offer a free school meal to all pupils in Key Stage 2, regardless of income.

We Welcome Your Feedback

We welcome and value all feedback. We regularly review our offer to continue to offer a positive dining experience for your child. Please refer your comments or suggestions to our Catering Manager.

Red = Allergen

- All food is freshly prepared on site each day and if any of the 14 common food allergens present, they are listed in red against each menu item and are intended as a guide to help with the choice of meal. For operational reasons it may be necessary to alter a recipe at short notice and therefore **your child or the member of school staff who presents your child at the counter must check each time before being served with the food.**
 - The Company handles many of the 14 common food allergens in our busy kitchens and so therefore cannot guarantee that our food is 100% free from specific food allergens
 - There are foods not on the list of 14 common food allergens which can cause allergic reactions in a small number of people and if your child has such an allergy, **they or school member must check each time before being served with the food.**
- Our allergen process is written to protect the welfare of the children.

Look out for monthly featured ingredients.

What's on the menu?

Back to School, Back to Two Wheels!

As September arrives and routines settle back in, the morning school run quickly takes centre stage. For many families, this often means tackling heavy traffic, hunting for scarce parking spaces, and coping with the inevitable rush outside the school gates.

This autumn, we are helping more households swap congestion for fresh air, active travel, and a calmer start to the morning. Cycling the school run not only cuts travel stress and emissions around school zones, but also gives kids a great burst of energy before the first bell rings.

The Right Bike for Growing Riders

Building confidence on two wheels starts with having the proper fit. Because children grow rapidly, committing to an expensive new setup can feel daunting. Our kids' range features quality lightweight bikes in [20"](#), [24"](#), and [27.5"](#) wheel sizes – catering to young riders from age six right through to secondary school. With our flexible monthly model, sizing up as your child grows is straightforward and hassle-free.

Effortless Family Trips with Cargo Power

If your morning involves younger passengers, school bags, or multiple drop-offs, our [Tern long-tail electric cargo bikes](#) offer the ultimate car replacement. Designed to carry one or two children safely and securely at the back, the Tern combines stable handling with smooth electric assistance. Steep hills and heavy book bags become a breeze, allowing you to breeze past gridlock while chatting with your passengers along the way.

Whether your children are pedalling alongside you or enjoying the view from the back of an e-cargo bike, making two wheels part of the school day turns the daily commute into quality time together.

Last chance to claim your Cycle Sundays discount!

Our partnership supporting TfL's Cycle Sundays is wrapping up at the end of September – which means there are only a few weeks left to **save £150** on an electric bike.

Sign up before **30 September** and get £25 off per month for your first 6 months.

- Free doorstep delivery and personal setup
- Quality lock, lights, and helmet included
- Comprehensive theft and damage cover
- Option to buy anytime, or return with no hassle

Use code: **CYCLESUNDAY**

Whether you are looking to breeze through your autumn commute, ditch public transport delays, or simply explore the capital on two wheels, now is the moment to get started.

Confidence Building FUN

Drama, dance and singing classes designed to help 4-12 year olds shine

“The classes have done wonders for my children's confidence, self-expression and social skills.”
 ***** Maria Smith

PERFORM
 MAKE YOUR CHILD SHINE

Play is a POWERFUL THING

Perform classes help boost children's **confidence, concentration, coordination and communication** skills, as well as being lots of fun.

Our expertly designed drama, dance and singing sessions for 4-7s and 7-12s are run by experienced teachers, hand-picked for their warmth and approachability. They'll be with your child every step of the way – inspiring and encouraging them to develop vital life skills as they discover the joy of performing.

What does Perform offer?

- Performing arts-based games and exercises
- Focus on a different social skill each week
- Small classes and feedback on your child's progress
- Specially created scripts, videos and apps
- End of term presentation for family and friends

“My wife and I are absolutely blown away at how our son's confidence has EXPLODED in these first few weeks with you guys.”
 ***** David Payne
