

Issue no 10 November 24th 2017

Children in Need

Thank you to all the pupils, parents, carers and staff for generously contributing towards BBC Children in Need last Friday.

A special thank you to some of our school councillors who visited classrooms with their collection buckets!

The variety of socks and tights worn was amazing.

BBC
Children in Need
Together we raised
£441.80

Best **attendance** marks go to **3F** with **99.7%**

Anti-Bullying Week

Pupils did a great job of selling anti-bullying

wristbands and pin badges last week.

At Julian's we raised

£641.65 which will go towards the Anti-Bullying Alliance to support children and young people who have been affected by bullying.

Medicines

Reminder for all parents / carers:

Julian's staff are not permitted to administer medicine to pupils.

There are very few exceptions such as Epipens, asthma inhalers (blue) and medicine for diabetes.

For health and safety reasons pupils should **not** be sent to

school with any type of medication in their bag.

All medication brought into school must be taken to the school office by a parent/carer. If you need any clarification please check with the school office.

Thank you for your co-operation.

Educational Visits this term

Reception classes will visit the Polka Theatre on:

Wednesday 6th December

RCL

REM

RKF

Thursday 14th December

KS2: Thursday 14th December Year 3, 1:30pm

Years 4/5/6 2:30pm

KS1: Friday 15th December 2E & 1CG, 9:30am

Reception: Tuesday 19th December, 9:30am

We will be collecting donations on behalf of Crisis at Christmas at all performances

Crisis at Christmas is a lifeline for:

- Laying on hot, delicious, nutritious Christmas dinners for more than 4,700 homeless people over 9 days
- Providing people with housing advice so they can rebuild their lives
- Offering health checks and care to help them recover from any chronic illness that may have plagued their time while homeless
- Giving people the specialist support they need to help them overcome dependencies they may have on drink and drugs
- And offering them access to Crisis' year-round services, giving them the chance to learn new skills and gain employment
