

Streatham drop off and pick up arrangements for March 2021

Please read carefully to identify any updated arrangements for your child/ren in our March 8th reopening

- **All adults are required to wear a face covering or visor whilst on school grounds**
- Staggered timings have been reduced for the majority of year groups. Please adhere to the changed times to ensure that everyone is able to continue to practice social distancing by staying apart at all times.
- Due to the reduced timings, **parents will no longer be able to drop all siblings at the same time but instead must adhere to the class timings.**
- Only one adult per child will be allowed on site when dropping off or collecting children
- Please do not gather or linger around the school gates before or after the children are dropped off/collected
- If your child is in Year Five or Six and will now walk home by themselves, please let the class teacher know so we can dismiss them first – this will be from the same gates as the rest of their class
- Line up outside your allocated entrance gate. If early, please wait on the opposite side of the road and not directly in front of the school gates.
- When the gates open in the morning, only the children will be allowed through

There will be no opportunities at drop off or pick up to speak to the class teachers. If you have an urgent message, please pass this to the member of staff on the gate. You can also email teachers or call the office to make an appointment (by phone initially).
