

Streatham drop off and pick up arrangements for September 2020

Drop off/pick up protocols – parent expectations

Drop off times and pick up will be staggered to ensure that everyone is able to practise social distancing by staying apart at all times. Please adhere to the times and do not arrive any earlier or later; we have staggered start and finishing times to reduce big groups congregating.

If you are waiting outside the school gates, please make sure you are not congregating and are standing at a distance. We are asking parents to maintain social distancing at all times and we will only be allowing one adult to drop off their child.

Line up outside your allocated entrance gate

When the gates open, only children will be allowed through the gate

If your child is in Year Five or Six and walks home by themselves, please let the class teacher know so we can dismiss them first – this will be from the same gates as the rest of their class.

There will be no opportunities at drop off or pick up to speak to the class teachers. If you have an urgent message, please pass this to the member of staff on the gate. You can also email teachers or call the office to make an appointment (by phone initially).

Reception: 9:15am – 3:30pm

Years 1 and 2: 9:00am – 3:15pm

Years 3 and 4: 8:45am – 3:00pm
