

THE DIRECTORY

CONNECTING PEOPLE, FOOD AND SUPPORT IN LAMBETH

Are you an EU citizen living in the UK?

Lambeth has a long and proud history of welcoming people from all over the world to live and work in our borough. We value our residents who have come to live here from the EU.

We want you to stay here after Brexit.

If you're an EU citizen, you and your family can now apply to the EU Settlement Scheme to continue living, working and studying in the UK after any Brexit transition period.

There is no fee for the EU Settlement Scheme, which will allow you and your family to continue to be eligible for:

- public services, such as healthcare and schools
- public funds and pensions
- British citizenship, if you meet the requirements and want to apply

For more information and how to apply visit:
gov.uk/eusettledstatus

You may be able to stay in the UK without applying – for example, if you're an Irish citizen or have indefinite leave to remain.

HELLO

Welcome to the summer issue of The Directory from Brixton Advice Centre & Lambeth Larder. Lambeth Council has kindly funded this joint publication. Inside, you'll find out where to get local help. We hope you find it useful.

- Are you looking for emergency food and support? The Directory will help you find what you need.
- This issue contains new sections on mental health support, plus information for groups.
- If you want to support community projects by donating your time or money, you can use The Directory to connect with local groups.

FOOD HELP

FINDING EMERGENCY FOOD: DID YOU KNOW?

Lambeth Larder website has an Emergency Food & Support finder. Use it to search for your nearest emergency food centre or advice centre, by postcode or by date.

You can also download and print an emergency food list and timetable from the site: lambethlarder.org

EMERGENCY FOOD

If you are struggling to pay for food and need support in a crisis, there are places across Lambeth that will help.

FOOD BANKS

For most food banks, you need a voucher before you can get emergency food. This is how they work:

- To use a food bank, a doctor, health visitor, social worker, advice worker, police, etc. must refer you.
- The person referring you will give you a food bank voucher.
- You take the completed voucher to the food bank to receive food.
- Contact your nearest food bank for where to get a voucher.

You need a food bank voucher to get emergency food at these centres:

ABOUT SURPLUS FOOD

There are many reasons why there is surplus food, here are just a few:

- Supermarkets often reject fruit and vegetables from farms if the shape, colour or size does not meet their standards.
- If the outer packaging is damaged in transit, stores may reject a food delivery, even if the contents are undamaged.
- Some stores order too much food or drink. If it doesn't sell quickly enough, they choose to get rid of it to make space for new stock.

The surplus food available at the organisations listed here comes from local businesses or charities like FareShare London and City Harvest. It is good quality and safe to eat.

FOOD LABELLING

It's worth knowing about food labels, to keep food safe and to not waste money by throwing out what's still good to eat.

Use By: The shop must sell the food and you must use it by the date on the package. It may be unsafe to consume otherwise.

Best Before: Foods with a 'best before' date should be safe to eat after the 'best before' date, but they may no longer be at their best quality.

Sell By/Display Until: 'Sell by' and 'display until' dates are for controlling stock in stores. They are instructions for staff, not shoppers. They do not relate to the freshness of food.

5 MONEY SAVING TIPS

Phone

When your mobile phone contract comes to an end, think about how you use your phone before signing a new contract. A SIM-only or 30 day rolling contract may work out cheaper.

Children and Money

Talk to your children about money. Explain the difference between earning, spending, saving and debt. Take them food shopping with you and get them to help find bargains around the store.

Big London Energy Switch

Lambeth is part of this independent energy switching scheme. Residents can sign up for cheaper energy offers.

Swishing

Do you have good quality clothes that you hardly wear? Get together a group of friends. Each person brings five items they no longer want, and then you swap. That's swishing. Get a new outfit for free, have some fun at the same time!

Baby Food

Do you spend money on expensive, readymade baby food? Why not make your own? For ideas speak to friends and family, your health worker, or there are recipes online. You can save at least 50% on the cost of buying shop bought baby food.

Contactless Payments

Be careful when making contactless payments, as the money can take longer to leave your account than using 'Chip & PIN'.

Children & Saving

Encourage your children to save, even if it's just pennies in a jar. It helps them understand how money works. They will feel good having saved for something for themselves or others.
