Becky Coburn

## Business Manager

Sheila Reid

## Head of School Streatham

Sam Linton

July 2020

Dear Parents / Carers

## Cost of School Dinners

With effect from 3<sup>rd</sup> September 2020 the cost of each pupil's school dinner will increase:

**from £2 to £2.30 per day**

We have kept the cost at £2 for as long as we possibly could, while many other schools have raised their charge to £3 per day. If you feel your child might qualify for free school meals please do not hesitate to contact Jo Barker at [jbarker@juliansprimary.org.uk](mailto:jbarker@juliansprimary.org.uk) who can run a very quick check and let you know the outcome promptly.

Changes to meal patterns (from packed lunch to school dinner or vice versa) can only be made at the end of a term. If you wish to change your child's meal pattern, please notify the school office in writing.

**School dinners must be paid for in advance. Meals are provided by ISS, an external catering company and, if parents/carers do not pay in advance for their children's meals, then the school has to pay on your behalf. Unfortunately, the school does not have a budget for this so we politely request that you make sure your child's meal has been paid for, before it is eaten.**

For those of you who have a child who is having a school meal we would ask that you please log into your ParentPay account each Sunday and make a payment of £11.50 to cover the coming week. You can of course pay for more than a week in advance if that's more convenient to you. For your information, to pay up until the October 2020 half term, the cost would be £85.10, and up until Christmas 2020 £165.60.

Thank you for your co-operation in paying for your child's meals in advance and helping us to keep school costs to a minimum.

Yours faithfully

Sheila Reid  
Business Manager
